Fulfill corporate responsibility as a community partner.

Build employee morale and promote teamwork.

Enhance the quality of life for homebound neighbors.

More than 120 organizations and corporations have discovered that volunteering with Meals on Wheels is the perfect fit for their employees. Corporate Route Partners commit to volunteering once a week, once a month or somewhere in between, and employees take turns delivering during lunch, either with a co-worker or on their own. Each route takes about 1-1.5 hours and directly benefits the lives of 10 to 15 homebound neighbors. It's simple, easy and impactful!

Together we can deliver hope!

It's simple, it's easy, it's impactful!

- All volunteers must complete an application and attend orientation, which can be held at your office or ours. Lunch can be provided if interested.
- Corporations designate a coordinator who is responsible for getting the routes covered internally and serves as the main contact for Meals on Wheels.
- Meals can be picked up at our office between 10:00 a.m. and noon. Meals can also be delivered to a drop off site nearby or directly to your office if you deliver at least once per week.
- We ask that you provide your own cooler or purchase a Meals on Wheels insulated bag for $25 to ensure that the meals stay hot. Smaller coolers for beverages and frozen meals are provided.
- Routes can change frequently, so directions and delivery instructions are provided each time.
- Volunteers can spend some time with the clients, but all meals must be delivered by 2 p.m.
- Volunteers may not solicit our clients or accept financial contributions.
