2018 ANNUAL REPORT

Dear Friends,

2018 was a year of celebration at Meals on Wheels of Greenville. We marked two tremendous milestones—the delivery of our 12 millionth meal and 50 years of service in Greenville County. These achievements would not have been possible without the generous support of so many in our community. Whether you packaged or delivered meals, referred someone in need or donated financial resources to provide meals, you've made the last 50 years possible. Thank you!

As we honor our past, we also look to the future and know there is more work to be done. Many seniors in our community are struggling to have their basic needs met—food, shelter, transportation, finances to purchase much-needed prescriptions, and more.

To help meet those needs, Meals on Wheels is focusing on strategic goals that include expanding our footprint of service, being known as the “go-to” for senior services beyond providing daily nutrition to our clients, and gaining the necessary financial and volunteer resources to fulfill our mission. It is our hope to continue providing so much more than meals to our homebound neighbors, but we need your support. Here's how you can help:

- Donate today to provide the next meal. A single \$30 gift provides meals for a homebound client for an entire week.
- Become a Table Setter by supporting Meals on Wheels with a recurring monthly gift.
- Volunteer your time to deliver a warm meal and friendly smile to someone living in isolation.

Learn more about how you can get involved at www.MealsonWheelsGreenville.org. Thank you for your loyalty and commitment to Meals on Wheels!

Sincerely,

Catriona Carlisle

WE DELIVER MORE THAN MEALS

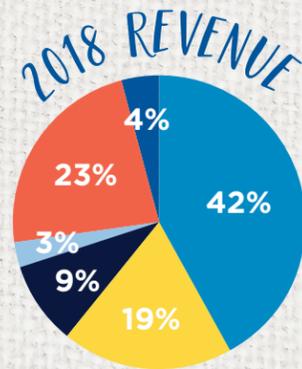

Mrs. Cloer has been a Meals on Wheels client since 2015. She is friendly, sincere, and most of all, grateful. While she appreciates the meals that are delivered each day, it's the volunteer visit she loves most. Mrs. Cloer is proud to talk about her volunteers and was delighted to give them homemade fudge and cards for the Christmas holiday. Her heart is warmed by the couple that always takes time to talk with her, and even took time to pray with her after a death in her family. Supplemental groceries have also been a blessing to Mrs. Cloer, and now her beloved cat, Bounce, will receive pet food every month.

Last year, we proudly celebrated the delivery of our 12 millionth meal and we're looking forward to reaching 13 million, 14 million, and beyond. But we're even more excited about what is delivered with each of those meals—an opportunity to offer a not just nutrition, but food for the heart and soul of a homebound neighbor.

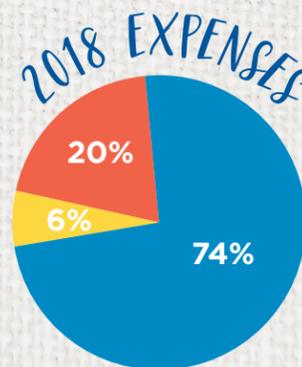

Join us as we provide more than meals to Mrs. Cloer and others like her throughout Greenville County. Donate today using the enclosed envelope or by visiting www.MealsonWheelsGreenville.org/donate. Thank you in advance for your generosity.

To Mrs. Cloer and many more, Meals on Wheels is, and has always been, about more than meals.

Supporting Our Community

In July of 2017, Meals on Wheels of Greenville began providing nutritious meals and healthy snacks to the Meyer Center for Special Children. In 2018 alone, we served more than 11,300 meals that not only provided necessary nutritional support, but also met unique dietary needs and were easier for students with disabilities to eat.

Last summer, we also had the privilege of serving students at YouthBASE and the Poe Mill Achievement Center by providing another 1,650 meals for children through our Summer Foodservice Program.

In partnership with the US Department of Agriculture and the SC Department of Education, we are pleased to serve other organizations in our community who are doing great work to provide education, safety, and nutrition for local children.
