\$1.9M

IN VOLUNTEER HOURS DONATED

Thanks to your support, we were able to partner with the following organizations to serve even more in our community.

- 8,643 meals delivered to The Meyer Center
- 8,910 meals delivered to ACOG clients\*
- 20,118 meals delivered to Senior Action congregate dining sites\*
- 455 meals delivered through Summer Foodservice Program to local nonprofit programs in support of children in the community.

\*Meals on Wheels of Greenville, The Appalachian Council of Governments, and Senior Action partnered in 2019 to provide nutritious meals to more individuals in need throughout the community.

\*When a volunteer delivers to a client who needs immediate medical attention. Those volunteers then call 911 and the Meals on Wheels team so we can notify the emergency contact.

## Dear Friends,

2019 was another fantastic year for Meals on Wheels. We continued our core mission of serving Greenville County's homebound neighbors in need while also strengthening and expanding our partnerships in the community. We are extremely grateful for all of our partners whose commitment and dedication to our work allows us to fulfill our mission of enhancing the quality of life of homebound individuals and seniors in Greenville County by providing nutritious meals, personal interaction, and independence. As our clients' needs grow, as well as our community's needs, it is critical for all of us to work together to make Greenville County a great place to live and work.

**"Alone we can do so little, together we can do so much."**

Helen Keller

This annual report recognizes and celebrates our donors, volunteers, and clients. Everyone working together made our accomplishments in 2019 possible. On behalf of all that we serve, thank you for being involved!

As we begin a new decade, we know there is more work to be done to fight hunger and isolation. We look forward to working together to provide "More than a Meal" to the homebound and seniors in Greenville County.

### Here is how you can help...

- Donate today to provide the next meal. \$100 feeds one homebound neighbor for an entire month.
- Give an hour of your time to deliver meals. Volunteer orientation is held every Thursday at 9:30 am.
- Refer someone who could use our help. Our client services team is available to help answer your questions.

Learn more about how you can get involved at [www.MealsonWheelsGreenville.org](http://www.MealsonWheelsGreenville.org). Thank you for your loyalty and commitment to Meals on Wheels!

Sincerely,

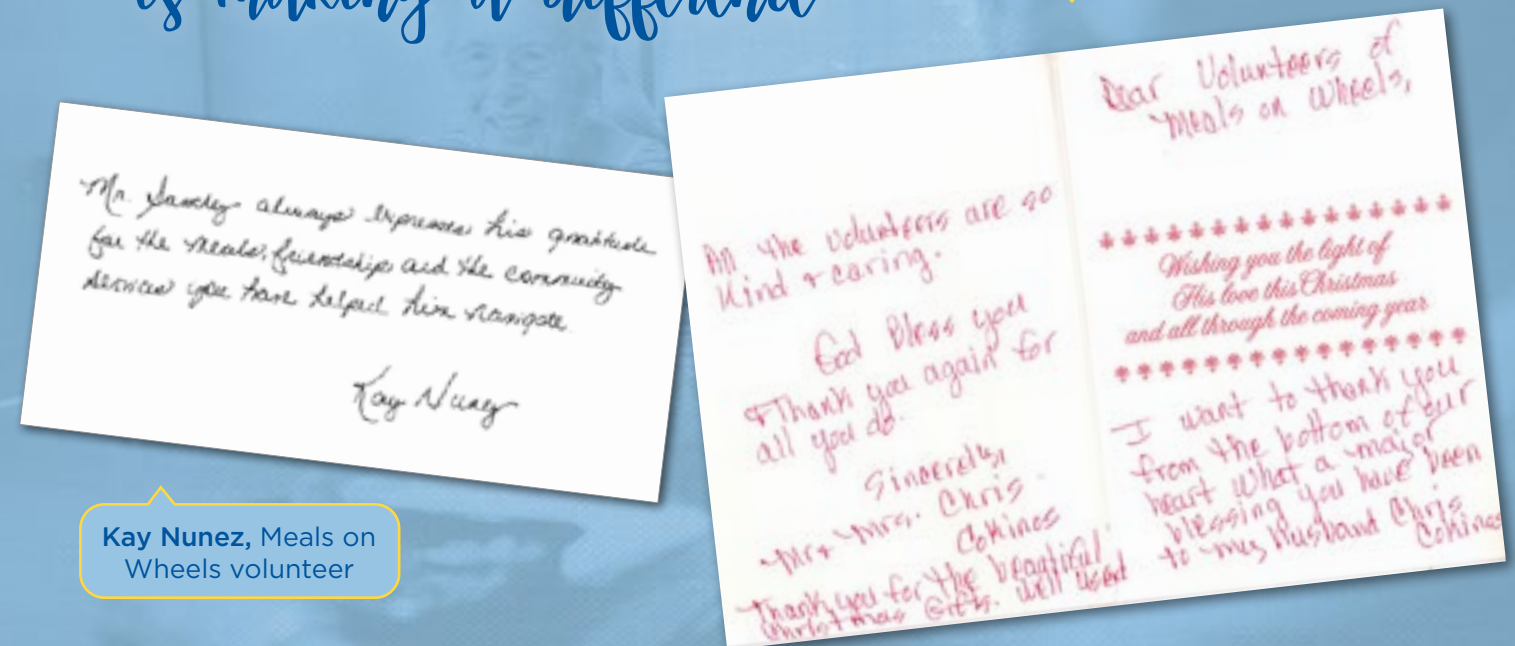

*Catriona Carlisle*
